

Talking to the friends and family about the ASD diagnosis

When a child is diagnosed with an Autism Spectrum Disorder parents/carers are faced with many overwhelming decisions. One of the most difficult decisions for parents/carers is “Do we talk to others about the diagnosis”?. This session for parents and professionals covers:

- Who do we tell? How do we tell them? How much information do we give them?
- Explaining the diagnosis to extended family, friends, siblings, teaching staff, Community

About the presenter: Julia Seedsman is a psychologist with sixteen years' experience working with children with Autism Spectrum Disorder.
